REPLY TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Sir:

This reply is filed in response to the Notice to File Corrected Application Papers ("Notice") mailed August 1, 2008 in the present application. The Notice stated that the present application contains an informality because the original Declaration specified the name for the fourth inventor as "J. B. Lockhart" rather than with Mr. Lockhart's full name (the family name and at least one given name). No issues were identified for the other inventors.

Under 37 CFR 1.67(a)(2), "deficiencies or inaccuracies relating to fewer than all of the inventor(s) . . . may be corrected with a supplemental oath or declaration identifying the entire inventive entity but signed only by the inventor(s) . . . to whom the error or deficiency relates." In accordance with 37 CFR 1.67(a)(2), enclosed herewith is a Supplemental Declaration which shows the entire inventive entity shown in the original Declaration, but shows Mr. Lockhart's full name as "James Bicknell Lockhart, IV." Applicants note that Mr. Lockhart's signature in the Supplemental Declaration does not specify his full name, but this is proper because "the inventor's signature may differ from his or her legal name." (MPEP § 605.04(b)).

The Notice correctly notes that the present application has been allowed. Applicants note that under MPEP § 603.01, a Supplemental Declaration may be filed after an application is

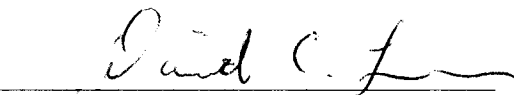

allowed as a matter of right, and such a Supplemental Declaration should not be considered to be an amendment under 37 CFR 1.312.

A copy of the Notice to File Corrected Application Papers is enclosed with this Reply, as required by the Notice.

No fee is believed to be due in connection with this paper. However, if any fee is due, the Commissioner is hereby authorized to charge such fee to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310.

Respectfully submitted,

Dated: August 11, 2008

A handwritten signature in dark ink, appearing to read "David C. Lee", is written over a horizontal line.

NOTICE TO FILE CORRECTED APPLICATION PAPERS

Notice of Allowance Mailed

This application has been accorded an Allowance Date and is being prepared for issuance. The application, however, is incomplete for the reasons below.

Applicant is given 30 days from the mail date of this Notice within which to correct the informalities indicated below. If the informality pertains to the abstract, specification (including claims) or drawings, the informality must be corrected with an amendment in compliance with 37 CFR 1.121 (or, if the application is a reissue application, 37 CFR 1.173). Such an amendment may be filed after payment of the issue fee if limited to correction of informalities noted herein. See Waiver of 37 CFR 1.312 for Documents Required by the Office of Patent Publication, 1280 Off. Gaz. Patent Office 918 (March 23, 2004). In addition, if the informality is not corrected until after payment of the issue fee, for purposes of 35 U.S.C. 154(b)(1)(iv), "all outstanding requirements" will be considered to have been satisfied when the informality has been corrected. A failure to reply will result in the application being ABANDONED. This period for reply is NOT extendable under 37 CFR 1.136(a) or (b).

The oath or declaration filed 03-29-2004 is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date may be required. See MPEP § § 602.01 and 602.02. The oath or declaration is defective because:

- The full name of each inventor (family name and at least one given name together with any initial) has not been set forth. See 37 CFR 1.63(a)(2).
 - Of the fourth inventor J. B. Lockhart
